Letter of Recommendation for Tripp Kata

To whom this may concern,

It is with great pleasure I recommend Tripp Kata for being a student athlete. I have had the privilege of coaching Tripp the past two seasons at St Dominic Savio High School, where Tripp served as a leader on and off the baseball field!

During Tripp's tenure, he consistently demonstrated an unmatched work ethic and leading by example of being a great teammate! He is one you never have to ask if he has a plan for the day. There are many examples of this I could give. From his bullpen sessions, to hitting BP, to infield work, and into baserunning. Tripp is very motivated and has the work ethic to match the goals! As a teammate, he continues to help younger and older players be their best. He is very unselfish in many ways. He's very much another coach on the field doing little things!

Tripp's hard work has paid off. As a freshman he worked his way to taking the starting short stop spot at the end of the season. As a sophomore, Tripp helped lead the team in pitching and hitting stats. He hit .378 with 82 at bats as our leadoff. He had 46 innings, 57 K's, 15BB's, and a 1.52 ERA. Attributing to his 1st team All-District honors and honorable mention All-State honors.

Tripp is a perfect example of what you want your student athlete to mimic! He is a high character kid and one anyone would love to have on their roster! Please do not hesitate if you require further information.

Sincerely,

Bryan Edwards
